

Vote for DJ ALVAREZ International President

My goals as your next president are to:

- **Serve our whole organization equally, leading by example, providing strong leadership, and having an open transparent administration whose main responsibility will be to serve and represent our membership.**
- **Focus on core values instilled by our founders, promoting our organization as a positive influence on our communities and continue our tradition of being a fraternal family oriented organization.**
- **Maintain open lines of communication from our members to our Executive Board, giving each member a voice on issues critical to the success of the organization.**
- **To continue to adhere to the Constitution and Bylaws as written, and to actively work towards updating the Bylaws to today standards.**

"I am eager to continue moving us forward in a global effort to build a stronger more cohesive membership while preserving club traditions."
