

Make a stop in historic Seligman for lunch at The Snow Cap or the highly recommended West Side Lilo's. Continue on at your discretion to Kingman or any of several stops along the way such as The Grand Canyon Caverns, Peach Springs or Hackberry.

You have several options to turn around at any point along Rte 66 or take I-40 back to Ash Fork, AZ and back to the Resort. There are sufficient services...and souvenir shops along the route.

Cell service is good.
