

There are several fine restaurants in the downtown area along the main drags. The Pine Country Inn is highly recommended.

If you're game, continue east 12 miles on I-17 to Bellemont. Stop at the Harley store and maybe make a pilgrimage to the dead end of old Rte66 to the Easy Rider (1969) movie location of the Pine Breeze Inn where then hippies Peter Fonda and Dennis Hopper pulled in on their choppers. "No Vacancy"!
