

...the water has pretty much drained down what's believed to be a sinkhole formed more than a few years ago.

The Mormon Lake Loop is a popular ride amongst locals. Once past the Verde Valley and SR260, you'll ride high along the Mogollon Rim.

There are two restaurants along SR87, The Lone Pine in Clint's Well and the Mormon Lake Lodge, 40 miles north and a few miles off Lake Mary Rd. The Mormon Lake Lodge is better suited for larger groups and is highly recommended otherwise.

The ride along Lake Mary road has a fine overlook of Mormon Lake and the mountains in Flagstaff...just up the road. The overlook is located between the loop road from Lake Mary Rd to the Lodge.
